# High-precision AHRS module
JY-901Arduino Sample Code Instructions

1. Extract the JY901.zip file and copy the extracted folder JY901 to the Arduino library installation directory:

C: \ Program Files (x86) \ Arduino \ libraries.

2. Open ArduinoIDE, click File-> Examples-> JY901, and select the corresponding example program.

3. The available functions can be seen in the JY901.h file.
